Name of the Meeting: Academic Council Meeting	**Meeting No:** 3
Meeting Date: 23.07.2026 **Mode** : Hybrid Mode **Meeting Link:** https://meet.google.com/dwj-yomq-pqy	**Host Name with Designation**: Dr. Ramkumar S Principal & Chairman-Academic Council

Minutes of the Meeting:

Welcome Address and Opening Remarks by Academic Council Chairman

The Academic Council Chairman welcomed the members of the Academic Council and outlined the agenda for the meeting.

Item 3.1: Review of the minutes of Academic Council Meeting-2 held on 20.09.2025

The Chairman presented the minutes of the Second Academic Council Meeting (ACM), along with the action-taken report.

Item 3.2: To consider and approve the recommendations of Third Board of Studies Meeting Minutes to the detailed Syllabus (VII & VIII Semesters) of B.E./B.Tech. under Regulations 2024 for the following UG programmes: B.Tech. AI&DS, B.E. (CIVIL, CSE, CSE(AI&ML), ECE, EEE, MECH)

The Chairpersons of the various departments presented to the Council the recommendations and suggestions put forward by the members of their respective Boards of Studies (BoS).

Name of the Board	Recommendation / Suggestions by the Board Members	Resolution taken by the Academic Council
B.E.- Mechanical Engineering	The current credit distribution for Professional Core Courses (PCC) is 39.16%. To increase this figure to above 40%, the Council proposed revising the curriculum by splitting the existing two-credit laboratory course, 24MEP402 – Fluid Mechanics and Dynamics of Machinery Laboratory, into two separate two-credit courses: Fluid Mechanics Laboratory and Dynamics of Machinery Laboratory, each of 2 credits.	According to the figures presented, the PCC credit distribution is 36.25% under the AICTE Model Curriculum, 33.53% under R2021, and 39.31% under the R2025 Anna University curriculum. Therefore, the proposed revision is not required. These comparisons are based on the relevant AICTE and Anna University curriculum documents.
B.E.- Mechanical Engineering	The curriculum may be revisited to introduce a course on the fundamentals and applications of autonomous vehicles, given their growing importance in modern engineering and industry.	The proposed changes have been incorporated into the course 24MET623 – Automotive Technologies.
B.E.- Electrical and Electronics Engineering	The BoS members recommended incorporating societal responsibilities into the PEOs and reflecting state-of-the-art technologies in PSO3. The Subject Expert further recommended updating the PEOs and PSOs to ensure their alignment with current industry	The recommendations regarding the PEOs and PSOs were duly considered, resolved, and approved.

	trends.	
Science & Humanities	It was proposed that the laboratory course 24PCP101–Physics and Chemistry Laboratory be offered according to the schedule below to optimize laboratory utilization: Semester I:AI&DS, CSE, CSE (AI&ML), and ECE. Semester II: Civil, CSE (Cyber Security), EEE, IT, and Mechanical.	The recommendations were duly considered, resolved, and approved.
All Boards	The Academic Council members recommended that reviews for students undertaking internships/projects during the eighth semester be conducted as per Anna University Guidelines.	The recommendations were duly considered, resolved, and approved.

Item 3.3: To consider and approve the recommendations of Third Board of Studies Meeting Minutes to the detailed Professional Elective – III and IV Syllabus (for VII Semester) of B.E./B.Tech. degree under Regulations 2024 for the following UG programmes: B.Tech. AI&DS, B.E. (CIVIL, CSE, CSE(AI&ML), ECE, EEE, MECH)

Name of the Board	Recommendation / Suggestions by the Board Members	Resolution taken by the Academic Council
B.E.-Mechanical Engineering	The Academic Council members recommended renaming the Professional Elective Course 24MET631 – Manufacturing Automation as 24MET631 – IoT in Manufacturing Automation to reflect contemporary industrial practices and emerging technologies.	The recommendations were duly considered, resolved, and approved.
B.E.-Electronics and Communication Engineering	The Academic Council members recommended including the topic Hybrid Mode – Neuro-Fuzzy under Unit V of the course 24ECT715 – Neural Networks and Fuzzy Logic.	The recommendations were duly considered, resolved, and approved.

Item 3.4: To consider and approve the recommendations of Third Board of Studies Meeting Minutes to the detailed Open Elective – III Syllabi of VII Semester of B.E./B.Tech. degree under Regulations 2024 for the following UG programmes: B.Tech. AI&DS, B.E. (CIVIL, CSE, CSE(AI&ML), ECE, EEE, MECH)

The Chairpersons of the concerned departments presented the syllabi for Open Elective III to be offered in the VII semester under Regulations 2024.

It was resolved to approve the recommendations recorded in the minutes of the Third Board of Studies Meeting concerning the detailed syllabi for Open Elective III to be offered in the VII semester of the B.E./B.Tech. degree programmes under Regulations 2024, as presented under Agenda Item 3.4.

Item 3.5: To consider and approve the recommendations of different Boards of Studies to the Syllabi of Minor Degree courses of all B.E./B.Tech. degree under Regulations 2024

The Chairpersons of the various departments presented the syllabi for the Minor Degree courses under Regulations 2024.

It was resolved to approve the recommendations recorded in the minutes of the respective Board of Studies meetings concerning the detailed syllabi for the Minor Degree courses of the B.E./B.Tech. degree programmes under Regulations 2024, as presented under Agenda Item 3.5.

Item 3.6: To consider and approve the recommendations of different Boards of Studies to the Syllabi of Honours Degree courses of all B.E./B.Tech. degree under Regulations 2024

The Chairpersons of the various departments presented the syllabi for the Honours Degree courses under Regulations 2024.

It was resolved to approve the recommendations recorded in the minutes of the respective Board of Studies meetings concerning the detailed syllabi for the Honours Degree courses of the B.E./B.Tech. degree programmes under Regulations 2024, as presented under Agenda Item 3.6.

Item 3.7: To consider and approve the recommendations of Second Board of Studies Meeting Minutes to the UG programmes (B.Tech. – IT /B.E. CSE (Cyber Security)) under Regulations 2024

Name of the Board	Recommendation / Suggestions by the Board Members	Resolution taken by the Academic Council
B.Tech.- Information Technology	The members recommended to include standard textbooks for the course 24ITI601 – Object-Oriented Analysis and Design.	The recommendations were duly considered, resolved, and approved.

Item 3.8: To consider and approve on any revisions to curriculum and syllabi of M.E.(CSE), M.E. (Structural Engineering) and MBA Programmes from Semester I to Semester IV under Regulations 2024

The Chairpersons of the concerned departments presented the curricula and syllabi for the M.E. (CSE), M.E. (Structural Engineering), and MBA programmes under Regulations 2024.

It was resolved to approve the recommendations recorded in the minutes of the Third Board of Studies Meeting concerning the detailed curricula and syllabi for the M.E. and MBA degree programmes under Regulations 2024, as presented under Agenda Item 3.8.

Item 3.9: To consider and approve the recommendations of First Board of Studies Meeting Minutes to M.Tech. – AI&DS programme

The Board Chairperson presented the PEOs, POs, and PSOs for the M.Tech. Artificial Intelligence and Data Science degree programme and briefed the Council on the recommended curriculum for Semesters I to IV and the syllabi for Semesters I and II.

It was resolved to approve the recommendations recorded in the minutes of the First Board of Studies Meeting concerning the M.Tech. Artificial Intelligence and Data Science programme under Regulations 2024, as presented under Agenda Item 3.9.

Item 3.10: To consider and ratify the End Semester Results of Nov/Dec 2025 and Apr/May 2026 for all UG, PG and Ph.D. degree programmes.

The Controller of Examinations presented the results of the November/December 2025 and April/May 2026 examinations to the Academic Council. The Council ratified the results and recommended conducting special classes to help students reduce arrears in the end-semester examinations.

Item 3.11: To consider and ratify Regulations 2024 amendment regarding assessment for Laboratory Integrated Theory Courses

The Controller of Examinations proposed the following amendment for the Council's consideration.

Existing Assessment Component	Amendment proposed	Resolution taken by the council
ESE component (50 % weightage) for the LTPC of the following categories: - 1 0 4 3 - 1 0 2 2 is fixed at **Lab – 50%**	It was proposed that the End-Semester Examination (ESE) component for the specified categories be revised to 10% for theory and 40% for laboratory courses.	The Academic Council recommended that the assessment scheme be aligned with the norms prescribed by Anna University.

Item 3.12: To consider and approve Academic Schedule of Academic Year 2026-27

The chairman of the Academic Council presented the academic schedule for the 2026–27 academic year to the Council. The members suggested including the continuous internal assessment marks entry period in the schedule.

Item 3.13: To discuss and approve any new UG and PG programmes for the next Academic Year 2027-28

The Academic Council members recommended introducing a B.E./B.Tech. programme in Agricultural Engineering, taking into consideration the institution's geographical location and the academic, industrial, and regional opportunities associated with the field.

Item 3.14: Any Other Matters

The Academic Council members recommended the following:

- The minimum CGPA required for registering for the Honours and Minor degree programmes shall be 8.0, while a minimum CGPA of 8.5 shall be required for the award of the degrees.
-
- Introductory terms such as "Fundamentals" and "Basics" shall be avoided in course syllabi.
- The B.E. CSE and B.E. CSE (AI & ML) curricula shall have approximately 30% common courses, with the remaining 70% comprising domain-specific courses.
- Institutional and departmental achievements shall be included in the Academic Council meeting agenda.
- Reports on stakeholder feedback and the corresponding action taken shall be presented at Academic Council meetings.
- Entrepreneurship-related courses shall be incorporated into the curriculum and syllabi to promote start-up activities.
- Recent editions of standard textbooks on C and Java programming, shall be included.
- Collaborations with foreign universities shall be explored.
- Practical sessions for mathematics-related courses using appropriate statistical software tools shall be introduced.
- An integrated course on Remote Sensing and Geographic Information Systems shall be included in the B.E. Civil Engineering curriculum under the next set of regulations.

Closing Remarks & Vote of Thanks

The Academic Council appreciated the initiatives undertaken to integrate the Sustainable Development Goals (SDGs) into the curriculum under Regulations 2024.

The meeting concluded with Dr. S. Selvi, Associate Professor and Head of the Department of Artificial Intelligence and Data Science, proposing the vote of thanks.
